

CAMP KERR LAKE GENERAL INFORMATION

Welcome to Camp Kerr Lake. We are a non-denominational Christian Camp seeking to strengthen and encourage families through Biblical foundations. We are open to the public, but require all our guests to abide by our Camp Kerr Lake Community Covenants and to conduct themselves in a manner consistent with our ministry's Statement of Faith.

It is our policy not to permit overnight lodging by any unmarried couples in the same RV, tent, or cabin, as it is clearly inconsistent with scriptural principles regarding the sanctity of marriage in God's Word, the Bible, and our ministry's Statement of Faith. It is also our policy not to permit the use of any of our facilities to those who choose not to abide by our Camp Kerr Lake Community Covenants.

It is our goal to provide you, our guests, with a clean, safe, peaceful, and spiritually encouraging camping environment. Christian hospitality and grace is our standard at Camp Kerr Lake. Please make a special effort to be considerate of those that are sharing this beautiful place with you during your stay. The following information is provided to help you plan your valuable vacation time, and to allow us to respond as effectively as possible in meeting your needs.
